

NECC STUDENT SAFETY NET

Contacts for Resolving Student Issues

To provide a supportive “safety net” for distressed students, the College has coordinated a network of resources that can be accessed by students and/or those who work with them. Subsequent to the closing of the College’s Counseling Center in 2002, the result of significant state budget reductions, an array of services and procedures have been developed to respond to a variety of student issues. Support staff work individually and collaboratively to provide a comprehensive system of supports and interventions. This comprehensive system makes up the social safety net that helps foster a healthy college environment and our students’ success. A current listing of resources includes:

MENTAL HEALTH

Kristy Wolf, **Academic Advisor/Mental Health Counselor**

Haverhill campus CPAC18 978-556-3446

Sees students in Haverhill, assesses students in distress and also does mental health assessment and referral to local agencies
