For more than 17 years, the Women of NECC have been making a difference in the lives of Northern Essex students. A dedicated group of individuals, the members of the Women of NECC raise money for much-needed scholarships, are ambassadors of NECC in the community, and host fundraising events.

Join other women from the region to help students improve their lives through education. Complete the attached form and return it with your donation. If you have any questions, please contact Jean Poth, vice president of Institutional Advancement at 978-556-3624.

Thank you for your support!

Since the group’s inception, the Women of NECC have awarded nearly $240,000 in scholarships. This has helped hundreds of NECC students continue their education and achieve their goals.

Student Comments:

“Thank you for allowing me to continue my education so that I can help provide a better life for my family and I. Without your generosity, I would not be able to continue on with my journey. Your kindness is appreciated more than you know. Thank you!”
