June 2014

Salem State University and Northern Essex Community College, in recognition of a valuable and barrier free public academic experience, have created a transfer articulation agreement between the Bachelor of Liberal Studies, Liberal Studies, Health Professions Concentration at Salem State University and the Associate Degree in General Studies: Health Specialization at Northern Essex Community College.

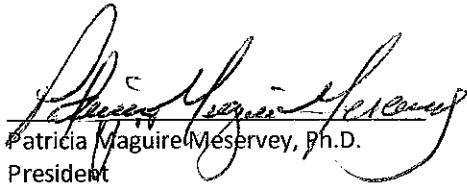

OBJECTIVES:

1. To encourage the transfer of qualified students from Northern Essex Community College to Salem State University.
2. To award academic credit for courses completed at Northern Essex Community College that meet the terms of the General Studies: Health Specialization Associate Degree, for application toward the requirements of the Bachelor of Liberal Studies, Liberal Studies, Health Professions Concentration Degree, at Salem State University.
3. To provide effective and concise guidelines for students seeking to transfer to Salem State University. Students will have accurate and clear information regarding the transfer of their coursework and credits toward the Bachelor's Degree at Salem State University.

TERMS OF THE TRANSFER ARTICULATION AGREEMENT:

1. Salem State University guarantees the acceptance of students who have completed the General Studies: Health Specialization Associate Degree, at Northern Essex Community College with an overall GPA of 2.5 or better to the Bachelor of Liberal Studies, Liberal Studies, Health Professions Concentration Degree, at Salem State University.
2. Salem State University guarantees the transfer of credit as stipulated in the attached Program of Studies. This agreement assumes the completion of the Associate Degree and completion of the courses listed on the Program of Studies.
3. A minimum total of 120 credits must be completed to earn a Bachelor of Liberal Studies, Liberal Studies, Health Professions Concentration at Salem State University.
4. **No more than 68 credits will transfer from a two-year institution, or any combination thereof, to Salem State University.**
5. Northern Essex Community College transfer students will be subject to all general education requirements of Salem State University as set forth in the Salem State University catalog.
6. This document is based upon the faculty evaluation of course descriptions presented to Salem State University. Courses as listed in this agreement will transfer to Salem State University provided a grade of 'C-' or better has been earned. **Whenever and wherever appropriate, the requirements of the Commonwealth Transfer Compact and / or Mass Transfer will be honored.**
7. This agreement shall remain in effect for a period of two years from the date listed below, with the provision that the terms specified herein will continue to apply to students admitted from Northern Essex Community College's General Studies: Health Specialization Associate Degree program within one year of the expiration of the agreement. Each institution agrees to provide timely notice to the other in the event of any modification to the curriculum that might affect compatibility for admission and transfer of coursework. Students admitted to the Northern Essex Community College General Studies: Health Specialization Degree program prior to such notification shall be admitted to Salem State University on the basis of this agreement.
