**CHECKLIST FOR ASSOCIATE
DEGREE IN NURSING (ADN)
For September 2011 Admission**

Dear Student:

This checklist will enable you to create a personal record of the documents/activities that you have completed towards applying to the Nursing program.

Admission Information:

Admission to the Nursing Program is highly competitive. There are far more qualified applicants applying to the program than there are seats available. The Nursing Program Admissions Committee reviews **completed applicant files** beginning FEBRUARY 7, 2011. When the Program and the Waitlist have been filled, no further applications will be accepted. Notification that applications are no longer being accepted will appear on the Nursing Program NECC web page.

Academic Advising:

Individuals interested in applying to the Nursing Program are required to meet with an advisor when starting the admission process to assist with questions and clarify the process. You can walk-in to the Advising Center on either the Haverhill or Lawrence campus and ask to meet with an advisor.

- Application for admission, Major choice: General Studies: Nursing**
- A current official **High School transcript** which includes:
 - at least the first quarter (or equivalent) grades for the senior year.
 - one year of **General Biology with Lab** with a grade of “B” or higher and
 - at least the first quarter grades for **Chemistry** with a “B” or higher.
 - overall **High School GPA of 3.0** or higher on a 4.0 scale.
- Completion of the **Mandatory Nursing Information Session** during the summer or Fall of 2010. For Information Session dates, go to www.necc.mass.edu/programs/health/.
- NECC Assessment Placement Completed**
To obtain the assessment schedule call the Assessment Center (978-556-3428). Assessment results must indicate that the applicant does not need to take any of the following courses: College Reading, Basic Writing, or Basic Algebra II/ Applied Technical Math.
Reading Assessment completed on _____.
Writing Assessment completed on _____.
Mathematics Assessment completed on _____.
- Completion of the Test of Essential Academic Skills (TEAS) with a minimum score of 60% on the Composite score and on EACH of the four Subscale scores.** See attached TEAS FACT SHEET.

IMPORTANT FINAL STEP:

- Change of Major/ACTION FORM** –Upon completion of all of the above items from the checklist, meet with an advisor to determine if you are eligible to fill out a Change of Major/Action Form to be considered for acceptance to the Nursing Program for Fall 2011. You may need to

bring documentation of specific criteria to the advisor. You will be required to sign the Change of Major/Action Form and you will be given a copy for your records. **All checklist items, including proof of completion of the TEAS, MUST be presented as part of your final step.**

Note: Acceptance is conditional upon completion of high school with a final overall GPA of 3.0 or higher and completion of high school Chemistry with a grade of 'B' or higher.

The Nursing Program and the Division of Health Professions are committed to educating a workforce that mirrors the rich socioethnic culture of the communities we serve. Therefore, we endeavor to attract and recruit a diverse group of students for each incoming class. We also reserve the right to invoke a geographical preference for applicants from the college's primary service area.

ADDITIONAL PROGRAM INFORMATION

Program Capacity

The Associate Degree in Nursing Option has a limited number of seats. In general, the College accepts 32 students to begin the day section.

The criteria describe the MINIMUM standards that must be met in order to be reviewed for admission to this option. Currently, the number of qualified applicants exceeds the number of available seats. Consequently, once it has been determined that the applicant meets the MINIMUM criteria, he/she is evaluated against the entire qualified applicant pool and the actual process of selecting applicants for admission to the Nursing Program becomes competitive.

No single criterion is used to make the admission decision; rather, each applicant is evaluated based upon the entire file of information provided to the College as part of the admission process. Academic grades and the TEAS score are important criteria and factor strongly in the admission decision.

Wait List Status

The Associate Degree in Nursing Program Review Committee establishes a Wait List for qualified applicants who are not initially accepted into the program. The Wait List is approximately 30% of the program capacity. Students are called from the Wait List on a space available basis. Students who are placed on the Wait List, and for whom a seat does not open during the current admission cycle, are given first option on admission for the following year.

If there are significant changes in the admission criteria, students on the Wait List may be required to comply with the new criteria. This decision is at the sole discretion of the academic program.

Health Requirements

Information regarding the College's health requirements will be sent to you upon your acceptance to the program.

Information about the program's Technical Standards, describing the physical and behavioral characteristics required to successfully complete the program, are available at our website,

<http://www.necc.mass.edu/programs/health/criteria.php> and we encourage you to review these as soon as possible.

CPR Certification

All students in the Associate Degree in Nursing Option are required to hold CPR certification at the Health Care Provider or Professional Rescuer level. Evidence of current certification is required before a student is allowed to participate in clinical education courses, and certification must be maintained throughout the program.

Criminal Offender Record Information (CORI) and Sex Offender Record Information (SORI)

Students interested in participation in an academic program that involves working with children, the disabled, or the elderly, or a cooperative education experience or a program that includes a clinical affiliation with a private or public health care provider, may be required to undergo a Criminal Offender Record Information (CORI) check, a Sex Offender Registry Information (SORI) check, and/or a Criminal History Record Information (CHRI) check. Students will need to provide a government issued photo identification and sign a release form allowing the college to view the student's CORI or SORI reports. Depending on the contents of a student's CORI or SORI reports, participation in an academic program or a cooperative education experience or a clinical or practicum affiliation related thereto, may be denied. CORI checks may be performed pursuant to Mass. General Laws, Chapter 6, Sections 172(C), and consistent with guidelines promulgated by the Executive Office for Health and Human Services, and/or the Commonwealth's Department of Public Health. SORI checks may be performed pursuant to Mass. General Laws, Chapter 6, Section 172(C). CHRI checks may be performed based on the NH Code of Administrative Rules and state statutes to include RSA 106-B:14 and RSA 106-B:7,1(b). For more information, contact the Registrar at 978-556-3700.

Clinical Affiliate Random Drug Screening Analysis Notification To Students

Please be advised that students enrolled in the following Health Professions programs may be required to undergo and pass a drug screening analysis in order to be eligible for placement in a clinical facility. Students who are assigned to clinical education experiences at the clinical facilities may be required to undergo and pass random drug screening analysis in order to remain at that clinical facility. Students who either fail to pass, or refuse to submit to, a drug screening analysis will be deemed ineligible for clinical placement, which may affect their status in the program. Health Programs in which Students are Subject to Drug Screening Analysis: Dental Assisting, Paramedic Technology (EMT-P), Medical Assisting, Nursing – Associate Degree, Phlebotomy Technician, Sleep Technologist, Practical Nursing, Radiologic Technology, Respiratory Care. If you have any questions pertaining to this policy, please contact the Office of the Dean of Health Professions.

Information about Licensure

The Massachusetts Board of Registration in Nursing (Board), as a regulatory agency of state government, protects the health, safety and welfare of citizens of the Commonwealth by licensing qualified Registered Nurses and Practical Nurses in accordance with Massachusetts General Laws Chapter 112, sections 74, 74A and 76, and Board Regulations at 244 CMR 8.03 and 8.04. The initial applicant with one or more criminal conviction(s), and/or with past pending disciplinary action against a professional/trade license/certificate must be evaluated for compliance with the "Good Moral Character" licensing regulation.

Applicants are directed to further information regarding determination of Good Moral Character by accessing the Board website: <http://www.state.ma.us/reg/boards/rn>

Individuals with a court record or a criminal conviction may wish to contact the Board(s) of Registration in Nursing in any state in which they plan to work for guidelines in determining "good moral character,"

before entering the nursing program. This will allow the individual to make an informed decision about choosing to pursue nursing education at this time.

NURSING PROGRAM TEAS ADMISSION TEST FACT SHEET

1. What is the Nursing Program Admission Test?

This test is an assessment of an applicant's scholastic aptitude. It is designed to predict academic readiness of an applicant prior to admission into the Nursing Program. The specific test used by NECC is the Test of Essential Academic Skills (TEAS).

2. What academic content areas will I be tested on?

The TEAS consists of four content areas: Math, Reading, English and Science.

*The **Math** subtest covers whole numbers, metric conversion, fractions and decimals, algebraic equations, percentages and ratio/proportion.*

*The **Reading** subtest covers paragraph comprehension, passage comprehension, and inferences/conclusions.*

*The **English** subtest measures knowledge of punctuation, grammar, sentence structure, words and spelling.*

*The **Science** portion of the test covers scientific reasoning, science knowledge, biology, chemistry, anatomy and physiology, basic physical principles and general science.*

3. Are there essay questions on this test?

No. This test consists of all multiple choice questions with one correct answer.

4. How long will it take for me to complete this test?

This test will take approximately four hours. Each of the four content area tests must be completed within a specified time. You will be given a short break between the first 2 sections and the last 2 sections.

5. Is there a particular score I must achieve on the TEAS?

You must achieve a minimum score of 60% on the Composite Score and on EACH of the Four Subscale scores.

6. Is there anyway that I can prepare for this test?

Yes. There is a Pre-Test Study Manual which you may purchase to assist you in preparing for this test. The study manual provides sample questions and general information in the areas of Reading, Math, Science and English. You may purchase this manual at the NECC Bookstore or online at www.atitesting.com. You may also purchase and take an Online TEAS Practice Assessment by going to www.atitesting.com.

7. When will I take the TEAS and how do I sign up for it?

*The TEAS is administered on established dates which will begin in September and end in January. You may schedule your TEAS date after August 1, 2010, by sending an email to TEAS@nec.mass.edu. You will need to provide your name, address, telephone number and either your social security number or you NECC ID # and request that TEAS info be forwarded to you. Following this, you will receive through email, instructions regarding registration and payment to take the TEAS. **No applicant will be allowed to take the TEAS without completing the TEAS registration process prior to the test date.***

8. How often can I take the admission test?

An applicant may take the admission test one time during an admission cycle. Test results will be used for that admission cycle only.

9. Is there a fee to take the test?

*Yes. A fee of \$55.00 must be paid to NECC **prior** to taking this test to reserve a seat for you. The fee must be paid using either a **cashier's check or money order**. **No personal checks or cash will be accepted**. **No form of payment will be accepted on the testing date**. **Your Student ID number or your Social Security number must be written** on the check or money order and returned with your confirmation sheet.*

10. What should I do if an unforeseen event occurs and I cannot attend the testing session?

*You should **immediately** notify the TEAS Testing Coordinator at 978-556-3026. There will be one opportunity for you to reschedule the test within a specified time period.*

11. Will I receive a refund of the testing fee if I decide not to take the test?

If you decide not to take the test and notify the TEAS Testing Coordinator at 978-556-3026 at least 48 hours before the scheduled test, you will receive a refund of \$25. The remaining \$30 will be retained by NECC to cover the administrative costs. No refunds are given if you cancel less than 48 hours before the scheduled test, and if you simply change your mind and do not appear for your scheduled test.

12. What should I bring with me on the testing date?

*You must **bring 2 forms of identification including a picture ID and two #2 pencils**. Bottled water may be brought to the testing area. No food, calculators, beepers or cell phones are allowed. As room temperature varies, it is suggested that you dress in layers to accommodate the environment.*

13. How will I know how I performed on this test?

Approximately 72 hours after the test is received at ATI, you can go to www.atitesting.com to see your test results.
