

**CHECKLIST FOR PARAMEDIC TECHNOLOGY (EMT-P)
ASSOCIATE DEGREE AND CERTIFICATE
For September 2011 Admission**

Dear Student:

This checklist will enable you to create a personal record of the documents/activities you have completed towards applying to the Paramedic Program.

Admission Information:

Admission to the Paramedic (EMT-P) Programs is competitive. There are more qualified applicants to the programs than there are seats available. The Paramedic Program Admissions Committee reviews completed applicant files and makes decisions on an on-going basis.

Academic Advising:

Individuals interested in applying to the Paramedic (EMT-P) Programs are required meet with an advisor when starting the admission process to assist with questions and clarify the process.

- Application for admission** (if you are a new student or have not been enrolled for the previous three years) Major Choice: General Studies: Paramedic
- Official transcript showing evidence of high school graduation, or the equivalent with passing GED scores.**
- Official college transcript(s)** if transfer credits are being requested.
- Proof of **current licensure/certification** in good standing as an EMT.
- Mandatory Paramedic (EMT-P) Program Information Session attended since January 1, 2009.**
Contact Ralph Wade, Program Coordinator at 978-738-7293 to schedule a meeting.
- NECC Assessment Testing Required: reading, writing and mathematics**
Note: Students who have successfully completed specific college courses may be waived from the assessments. Please talk to an advisor for further information. To obtain the assessment schedule call the Assessment Center (978-556-3428). Assessment results must indicate that the applicant does not need to take any of the following courses: College Reading, Basic Writing, or Basic Algebra I. Applicants who place into one or more of these courses must take the course(s) in order to meet the Program admission criteria.

Reading Assessment completed on _____.

Writing Assessment completed on _____.

Mathematics Assessment completed on _____.

IMPORTANT FINAL STEP:

Change of Major/ACTION FORM – Upon completion of all of the above items from the checklist, meet with an advisor to determine if you are eligible to fill out a Change of Major/Action Form to be considered for acceptance to the Paramedic Program for Fall 2011. You may need to bring documentation of specific criteria to the advisor. You will be required to sign the Change of Major/Action Form and you will be given a copy for your records. All checklist items must be completed to finish your final step.

The EMT-Paramedic Program and the Division of Health Professions are committed to educating a workforce that mirrors the rich socioethnic culture of the communities we serve. Therefore, we endeavor to attract and recruit a diverse group of students for each incoming class. We also reserve the right to invoke a geographical preference for applicants from the college's primary service area.

ADDITIONAL PROGRAM INFORMATION

Program Capacity

The Paramedic (EMT-P) Certificate Program has a limited number of seats. In general, the College accepts 16 students to begin this program each fall.

The criteria describe the MINIMUM standards that must be met in order to be reviewed for admission to this program. No single criterion is used to make the admission decision; rather, each applicant is evaluated based upon the entire file of information provided to the College as part of the admission process.

Wait List Status

The Paramedic (EMT-P) Program Review Committee establishes a Wait List for qualified applicants who are not initially accepted into the program. The Wait List is approximately 50% of the program capacity. Students are called from the Wait List on a space available basis. Students who are placed on the Wait List, and for whom a seat does not open during the current admission cycle, are given first option on admission for the following year.

If there are significant changes in the admission criteria, students on the Wait List may be required to comply with the new criteria. This decision is at the sole discretion of the academic program faculty.

Transfer Credits

Transfer credits from other colleges/universities are awarded only for comparable courses that are completed with a grade of 'C' or higher.

Health Requirements

Information regarding the College's health requirements will be sent to you upon your acceptance to the program.

Information about the programs' Technical Standards, describing the physical and behavioral characteristics required to successfully complete the programs, are available at our website, <http://www.necc.mass.edu/programs/health/criteria.php> and we encourage you to review these as soon as possible.

CPR Certification

All students in the Paramedic (EMT-P) Program are required to hold CPR certification at the Health Care Provider level. Evidence of current certification is required before a student is allowed to participate in clinical education courses, and certification must be maintained throughout the program.

Criminal Offender Record Information (CORI) and Sex Offender Record Information (SORI)

Students interested in participation in an academic program that involves working with children, the disabled, or the elderly, or a cooperative education experience or a program that includes a clinical affiliation with a private or public health care provider, may be required to undergo a Criminal Offender Record

Information (CORI) check, a Sex Offender Registry Information (SORI) check, and/or a Criminal History Record Information (CHRI) check. Students will need to provide a government issued photo identification and sign a release form allowing the college to view the student's CORI or SORI reports. Depending on the contents of a student's CORI or SORI reports, participation in an academic program or a cooperative education experience or a clinical or practicum affiliation related thereto, may be denied. CORI checks may be performed pursuant to Mass. General Laws, Chapter 6, Sections 172(C), and consistent with guidelines promulgated by the Executive Office for Health and Human Services, and/or the Commonwealth's Department of Public Health. SORI checks may be performed pursuant to Mass. General Laws, Chapter 6, Section 172(C). CHRI checks may be performed based on the NH Code of Administrative Rules and state statutes to include RSA 106-B:14 and RSA 106-B:7,1(b). For more information, contact the Registrar at 978-556-3700.

Clinical Affiliate Random Drug Screening Analysis Notification To Students

Please be advised that students enrolled in the following Health Professions programs may be required to undergo and pass a drug screening analysis in order to be eligible for placement in a clinical facility. Students who are assigned to clinical education experiences at the clinical facilities may be required to undergo and pass random drug screening analysis in order to remain at that clinical facility. Students who either fail to pass, or refuse to submit to, a drug screening analysis will be deemed ineligible for clinical placement, which may affect their status in the program. Health Programs in which Students are Subject to Drug Screening Analysis: Dental Assisting, Paramedic Technology (EMT-P), Medical Assisting, Nursing – Associate Degree, Phlebotomy Technician, Sleep Technologist, Practical Nursing, Radiologic Technology, Respiratory Care. If you have any questions pertaining to this policy, please contact the Office of the Dean of Health Professions.

Accreditation

The program is approved by the Office of Emergency Medical Services through the Massachusetts Department of Public Health. The Paramedic program includes all curricular content mandated by the latest edition of the United States Department of Transportation, National Highway Traffic Safety Administration, National Emergency Medical Services Core Content, Scope of Practice Model and Education Standards, and the Committee on Accreditation of Educational Programs for the Emergency Medical Services Professions Curriculum Supplement. Students who complete the program are also eligible to take the National Registry (NREMT) Certification exam.

Information about Licensure

The Commonwealth of Massachusetts, Department of Public Health, Office of Emergency Medical Services (OEMS) is responsible for the certification of EMTs and Paramedics. Please visit: <http://www.mass.gov/dph/oems/> for further information.
