Are you planning to take the Test of Essential Academic Skills – the TEAS Exam?

Do you need a review of your math skills?

Sign up now for the Math SkillBuilder for TEAS Course!

What is the Math SkillBuilder for TEAS Course?

• The Math SkillBuilder for TEAS is an online course designed to help you learn the math skills needed to score well on the math section of the TEAS exam.

• The Math SkillBuilder for TEAS is a self-paced course. You can work entirely on your own pace, at a speed that your work and school schedule allow.

• Signing up for the Math SkillBuilder for TEAS does not guarantee a particular score on the TEAS test, but it will build your confidence and performance in your math skills by providing you the following:

  → Suggestions for a proper study plan ←
  → A thorough review of arithmetic, basic algebra and geometry ←
  → Complete lessons/explanations for each content subject ←
  → Printable worksheets with answers for each content skill ←
  → 10 simulated TEAS exams with complete step-by-step solutions ←

How much does it cost?

• The Math SkillBuilder for TEAS costs $100 and is payable when you sign up for the course.

• The course is offered on a tri-semester basis: spring, summer and fall.

How do I register?

• You can sign up at the registrar’s office on either the Haverhill or the Lawrence campus. The following are the course codes for the summer and fall of 2010:

  ---Summer 2010: 859 XK1008-XD ; ---Fall 2010: 860 XK1008-XE
