Are you planning to take the Test of Essential Academic Skills – the TEAS Exam?

Do you need a review of your science skills?

Sign up now for the Science SkillBuilder for TEAS Course!

What is the Science SkillBuilder for TEAS Course?

• The Science SkillBuilder for TEAS is an online course designed to help you learn the science skills needed to score well on the science section of the TEAS exam.

• The Science SkillBuilder for TEAS is a self-paced course. You can work entirely on your own pace, at a speed that your work and school schedule allow.

• Signing up for the Science SkillBuilder for TEAS does not guarantee a particular score on the TEAS test, but it will build your confidence and performance in your science skills by providing you the following:

  → Suggestions for a proper study plan ←
  → A thorough review of the major principles of: general science, genetics, human body, life science, physical & chemical science and the scientific method ←
  → Complete lessons/explanations for each content topic ←
  → Quizzes for each content topic ←
  → Printable worksheets with answers for each content topic ←
  → 10 simulated science TEAS exams with complete step-by-step solutions ←

How much does it cost?

• The Science SkillBuilder for TEAS costs $100 and is payable when you sign up for the course.

• The course is offered on a tri-semester basis: spring, summer and fall.

How do I register?

• You can sign up at the registrar’s office on either the Haverhill or the Lawrence campus. The following is the course code for the fall of 2010:

  Fall 2010: 1172 XK1011-XA
