Women of NECC

For more than 20 years, the Women of NECC have been making a difference in the lives of Northern Essex students. A dedicated group of individuals, the members of the Women of NECC raise money for much-needed scholarships, are ambassadors of NECC in the community, and host fundraising events.

Join other women from the region to help students improve their lives through education. Complete the attached form and return it with your donation. If you have any questions, please contact Jean Poth, vice president of Institutional Advancement at 978-556-3624.

Thank you for your support!

Since the group's inception, the Women of NECC have awarded over \$330,000 in scholarships. This has helped hundreds of NECC students continue their education and achieve their goals.
