

It's important to do your very best.

The purpose of ACCUPLACER tests is to provide you with useful information about your academic skills in math, English, and reading. The results of the assessment, in conjunction with your academic background, goals, and interests, are used by academic advisors and counselors to determine your course selection.

TESTING TIPS:

- ✓ **Have handy your student ID number** and picture ID.
- ✓ **Familiarize yourself with the testing area**, bathroom location, your computer setup and chair so you feel comfortable during testing.
- ✓ **Gather your thoughts and relax** before the test begins.
- ✓ **Pay careful attention to directions.** Be sure you understand them before you begin each test.
- ✓ **Understand that you may not go back to change an answer** once it has been submitted.
- ✓ **Eliminate one or more of the choices**, when you are unsure of the correct answer; then pick one of the remaining choices.
- ✓ **Do not bring food, drink, textbooks**, notebooks, dictionaries, or other papers of any kind into the testing room. The Test Administrator will provide all materials for use with the tests.
- ✓ **Remember, no assisting others or yourself.** Anyone who gives or receives help during the test or uses notes or books of any kind will not be allowed to continue the test.
- ✓ **Leave all test materials and scratch paper** in the testing room when you leave.
