Are you planning to take the Test of Essential Academic Skills – the <u>TEAS</u> Exam?

Do you need a review of your science skills?

Sign up now for the Science SkillBuilder for TEAS Course!

What is the *Science SkillBuilder for TEAS Course*?

- The *Science SkillBuilder for TEAS* is an online course designed to help you learn the science skills needed to score well on the science section of the TEAS exam.
- The *Science SkillBuilder for TEAS* is a self-paced course. You can work entirely on your own pace, at a speed that your work and school schedule allow.
- Signing up for the *Science SkillBuilder for TEAS* does <u>not</u> guarantee a particular score on the TEAS test, but it will build your confidence and performance in your science skills by providing you the following:
 - \rightarrow Suggestions for a proper study plan \leftarrow
 - → A thorough review of the major principles of: general science, genetics, human body, life science, physical & chemical science and the scientific method ←
 - → Complete lessons/explanations for each content topic ←
 - \rightarrow Quizzes for each content topic \leftarrow
 - → Printable worksheets with answers for each content topic ←
 - \rightarrow 10 simulated science TEAS exams with complete step-by-step solutions \leftarrow

How much does it cost?

- The *Science SkillBuilder for TEAS* costs \$100 and is payable when you sign up for the course.
- The course is offered on a tri-semester basis: spring, summer and fall.

How do I register?
