## II. Transfer Credit

- A. Regis will award transfer credit to students for college-level courses taken at Partner Institution towards an Associate's Degree.

## III. Academic Quality

It is agreed and understood that each party has the right and responsibility to make changes to its curricula and enrollment standards in order to maintain its academic integrity and meet accreditation standards. Such changes, if any, will be communicated in writing between the parties as they occur. Partner Institution and Regis will work together in good faith to resolve any doubts or concerns regarding academic quality pursuant to this Agreement.

## IV. Term and Termination

- A. This Agreement becomes effective as of the date of the signatures of both parties and is valid for three (3) years from that date. This Agreement may be extended for additional three (3) year periods by written consent of the parties.

Both Partner Institution and Regis subscribe to a policy of equal opportunity and will not discriminate on the basis of race, gender, religion, national origin, marital status, sexual orientation or physical disability.
