

Please come to a

**Free Refresher Class for the
Accuplacer Math Test**

Fall 2018

>>> When and where are the refresher classes? <<<

Room B106 (Haverhill campus)

1:00 pm to 3:00 pm

Regular sessions on **October 13 or November 3 or January 5**

Follow-up session on: (Algebra) **December 8**

Room LH206 (420 Common Street--Lawrence campus)

1:00 pm to 3:00 pm

Regular sessions on **October 27 or November 17**

Follow-up session on: (Basic Math) **December 1**

>>> What will I learn? <<<

Regular Sessions

You will take a computer pretest in the *Math SkillBuilder for Accuplacer* program in the Math Center. You will receive a free access code for the online tutorial program *MyMathTest*, as well as a study plan that you may complete at home. We will review many of the pretest problems.

Follow-up Sessions

(Basic Math) Review the fundamentals of Basic Math (decimals, fractions, percents, ratio and proportion);

(Algebra) Review the fundamentals of Algebra (equations, graphs and polynomial expressions).

>>> How do I sign up? <<<

Note: These sessions are intended only for those students who are registering for a math course for the first time.

Please sign up by contacting Dan Svenconis at **978-556-3846** or at dsvenconis@necc.mass.edu.
