

NECC STUDENT LOCKER POLICY

All NECC students are eligible for a locker located in D-Building on the Haverhill campus of NECC. In order to obtain a locker, students must provide a valid NECC Student Identification Card and agree to the following terms:

- Lockers are the property of NECC and NECC reserves the right to remove the lock and contents of the locker at the conclusion of the locker assignment period or when a student leaves the College, for abuse of locker privileges, for failure to adhere to the College's policies and procedures and regulations, or at any time for cause as determined by the NECC.
- Lockers have a provided locking mechanism, and a locker combination number will be provided by a member of the Athletic Department staff.
- All perishable food and beverages and all opened or repackaged nonperishable food and beverages must be removed from lockers on a daily basis. Only nonperishable foods and beverages in unopened original manufacturer or distributor-sealed packaging and containers may be kept in lockers overnight.
- Locker assignments are valid during the academic year. At the conclusion of the locker assignment period (or when a student leaves the College if earlier) all materials must be cleared from the lockers. The deadline for vacating lockers for the 2019-2020 academic year is **May 11, 2020**. All contents left in lockers after this date will be removed and disposed of by NECC.
- Students are permitted to access lockers from 7:00am to 9:00pm.
- Storage of any items that are of illegal nature, or would cause or be likely to cause a health hazard, security risk, physical danger or a nuisance to the environment or other members of the NECC community is strictly prohibited. This includes, but is not limited to, drugs, alcohol and weapons.
- Lockers are not transferable. All users agree to only occupy the locker assigned and requests for relocation will be subject to availability. All students who wish to change the location of their lockers must apply with good reason in person to the office of the Athletic Department.
- Students are responsible for posted signage on or around the lockers for any updates or issues with locker assignments and/or the student locker policy.
- NECC is not responsible for any lost, damaged, or stolen items from lockers.
- Failure to comply with the student locker policy may result in loss of locker privileges and/or disciplinary action in accordance with the NECC Student Code of Conduct, and/or civil or criminal penalties.

I understand and agree to the above terms.
