2020-21 FEDERAL DIRECT STUDENT LOAN INFORMATION SHEET

Northern Essex Community College (NECC) participates in the Federal Direct Student Loan program administered by the U.S. Department of Education and NECC. Loans are financial assistance that must be repaid. Complete information about student loans can be found on www.studentaid.gov

HOW DO YOU APPLY & QUALIFY FOR A FEDERAL DIRECT STUDENT LOAN?

- Complete the FAFSA (Free Application for Federal Student Aid) for 2020-21 at www.studentaid.gov
- Provide requested documents to Student Financial Services if your FAFSA has been selected for verification.
- Enroll in a degree or certificate program, in 6 credits or more.
- Meet all satisfactory academic progress requirements as indicated in the college catalog.
- Not be in default on a prior student loan or owe an overpayment to the Federal Government.
- Complete the Loan Request form on the reverse side of this informational sheet if:
 - You would like an increase in the amount offered to you on your award letter.
 - You did not have a loan on your award letter, but you would like to borrow a loan during 2020-21.

WHAT IS THE DIFFERENCE BETWEEN A SUBSIDIZED AND UNSUBSIDIZED LOAN?

Direct Subsidized Loans are offered to students who demonstrate financial need according to federal regulations. The Federal Government pays the interest while the student is enrolled in at least 6 credits (half-time). You are not charged interest while you are in school at least half time.

Direct Unsubsidized Loans are offered to students who do not qualify on the basis of calculated financial need or for those who need supplemental loan assistance. Unlike the Direct Subsidized Loan, interest begins to accrue when the loan is disbursed regardless of the student's enrollment status.

As of July 1, 2020, the **interest rate** is **2.75%** for both the subsidized and unsubsidized loan. Interest rates usually change on July 1 of each year. There is an **origination fee of 1.059%** that is charged by the federal lender. The origination fee is taken out of the loan amount when it is disbursed.

HOW MUCH CAN I BORROW EACH YEAR?

Loan amounts are based on your enrollment level and financial aid budget. Your maximum eligibility is based on your grade level, the number of credits you are taking, and the amount of other financial aid you are receiving, as well as the total amount of loans you have borrowed in the past. Keep in mind that this is a loan and you should never borrow more than you need.

Dependent Student

- **Freshman/First Year** (0-29 Credits earned) up to \$5,500 (maximum \$3,500 Sub based on eligibility)
- **Sophomore** (30+ credits earned) up to \$6,500 (maximum \$4,500 Sub based on eligibility)

Independent Student

- **Freshman/First Year** (0-29 Credits earned) up to \$9,500 (maximum \$3,500 Sub based on eligibility)
- **Sophomore** (30+ credits earned) up to \$10,500 (maximum \$4,500 Sub based on eligibility)

There is a limit to the total amount of loans that a student may borrow to complete their degree. Please see www.studentaid.gov for complete information.
