2018-2019 FEDERAL DIRECT SUBSIDIZED/UNSUBSIDIZED LOAN INFORMATION SHEET

Northern Essex Community College (NECC) participates in the Federal Direct Subsidized/Unsubsidized Student Loan program administered by the U.S. Department of Education and NECC. Loans are financial assistance that must be repaid after you graduate or when you drop below six credits in a term. Complete information about student loans can be found on www.studentloans.gov.

HOW DO YOU APPLY FOR A FEDERAL DIRECT SUBSIDIZED/UNSUBSIDIZED STUDENT LOAN?

You must first complete the FAFSA (Free Application for Federal Student Aid) FOR 2018-2019 at www.fafsa.ed.gov and indicate NECC (School code 002174) as the school to receive the processed information. When NECC receives the processed information, you may be asked to provide information to verify your application. The Financial Aid Office determines your eligibility for a Federal Direct SUBSIDIZED and/or UNSUBSIDIZED Loan based on the number of credits you are taking, your satisfactory academic progress status, and your cost of attendance. Use the request form on the reverse side to apply for your loan. All first time borrowers must complete an Entrance Interview and a Master Promissory Note.

WHAT IS THE DIFFERENCE BETWEEN A SUBSIDIZED AND UNSUBSIDIZED LOAN?

The Federal Direct Subsidized Loan is offered to students who demonstrate financial need according to federal regulations. The Federal Government pays the interest while the student is enrolled in at least 6 credits. Therefore, no interest accrues while the student remains enrolled in 6 credits or more. The Federal Direct Unsubsidized Loan is offered to students who do not qualify, on the basis of calculated financial need, for a Federal Direct Subsidized Loan or who qualify for only a portion of the Federal Direct Subsidized Loan annual limit. Interest accrues on a Federal Direct Unsubsidized Loan after the loan is disbursed regardless of the student’s enrollment status. As of July 1, 2018, the interest rate for both the subsidized and unsubsidized loan is **5.05%**, fixed for the life of the loan. Interest rates usually change on July 1 of each year.

HOW MUCH CAN I BORROW EACH YEAR?

This chart shows the MAXIMUM amount that a student may borrow each academic year. If you borrow the maximum amount during fall & spring, you will not have eligibility for summer. There are other restrictions based on your grade level and the percentage of the program that you have completed. **You are advised to use care in determining if and how much you should borrow. Please do not hesitate to ask for assistance or advice in making this decision. Your loans are a part of your present and your future.**

Annual Loan Maximums set by the Federal Government	Freshmen	Sophomore
Subsidized Only	\$3,500	\$4,500
Subsidized & Unsubsidized (Dependent student) Total	\$5,500	\$6,500
Subsidized & Unsubsidized (Independent student) Total	\$9,500	\$10,500

HOW DO I DETERMINE HOW MUCH I NEED TO BORROW?

Loans must be repaid. Educational borrowing should be limited whenever possible. **Borrowing money for your education is a serious and binding legal obligation. Defaulted loans affect your future credit and your future eligibility for financial aid.**

To borrow enough to cover your billed charges, take your billed charges (tuition, fees and health insurance that can't be waived) and subtract any financial assistance received (Pell Grant, Mass Grant, etc.). \$ _____

To borrow additional funds to cover books and supplies, estimate the amount you need for books and supplies \$ _____

Other expenses: Computer, transportation, living expenses. \$ _____

TOTAL TO BORROW (Remember to add the 1.062% origination fee) \$ _____

WHEN CAN I GET MY REFUND?

Loans are first applied to any outstanding charges at NECC. Loan processing can take time, especially during peak times. Once your bill is paid, you may be eligible for a refund when your loan is disbursed. Loans cannot be disbursed until 30 days after the semester begins, and may be disbursed in 2 payments. At the time of disbursement, you must be enrolled in 6 credits or more. If you drop classes or stop attending classes, your loan may be prorated or cancelled and you may owe the college money. Refunds may not be available on the day the loan is disbursed. Plan your finances accordingly. Electronic disbursements are often quicker than mailed paper checks and can be set up on myNECC portal.
