between
Northern Essex Community College
and
Endicott College Van Loan School of Professional Studies

WHEREAS this articulation and transfer agreement is designed to coordinate transfer policies, enhance advising, and promote the acceptance of the programmatic transfer of courses/credits between **Endicott College Van Loan School of Professional Studies (Van Loan)** and **Northern Essex Community College (NECC)** and encourage completion of the Bachelor's Degree.

Given the physical proximity, service area, commitment to diversity, and the mission of the two institutions, it is only fitting that Van Loan and NECC form a guaranteed admission articulation agreement. Both institutions are regionally accredited by the New England Association of Schools and Colleges (NEASC) with long standing histories in higher education. This agreement will make opportunities for learning accessible to a wider student population in the surrounding communities.

Northern Essex Community College Mission Statement:

SUMMARY STATEMENT

This agreement will provide a transfer pathway for students from NECC to obtain a Bachelor's Degree from Endicott College Van Loan School of Professional Studies. Students with a GPA lower than a 2.5 cumulative average are encouraged to discuss a transfer plan with their Academic Advisor.

TERMS AND CONDITIONS

Administrative Matters:

At least one academic administrator or faculty member from each Institution will be appointed to act as liaisons for the implementation of this agreement, to serve as primary contact persons, and to communicate any changes to this agreement to the respective faculty members, advisors, admissions counselors, and others. Responsibility for oversight of this agreement rests with the Vice President of Academic Affairs (or designee) at Van Loan and the Vice President of Academic Affairs (or designee) at NECC. Both parties agree to communicate annually regarding any changes in their respective programs that may affect this agreement.

Van Loan and Northern Essex Community College agree to collaborate in the areas of publicity, marketing, recruitment, curriculum, and transfer efforts as follows:

- All announcements, publicity, marketing, and recruitment activities by either institution relative to the articulation agreement will be done following a plan collaboratively developed and agreed to by both parties.
- Faculty and staff at both institutions will share information in this agreement with interested and qualified students, and both institutions will provide counseling and advising to current and prospective students.

Student Admissions and Enrollment Guidelines:

1. Van Loan will accept Associate degree graduates in accordance with the limitations and procedures set forth in this Agreement and Appendix A. To be admitted, a NECC student must have earned a grade point average of 2.5 or higher (on a 4.0 scale) in their NECC degree program.
2. Students accepted for admission under this agreement will receive academic credit for all college-level courses applied toward the requirements of the Associate degree. Transferable college-level courses must meet a grade minimum of C- or higher. Non-credit and/or remedial courses adjudged to be below college level will not be accepted for transfer. Students should consult curriculum maps to review accepted credit and progress toward a degree at Van Loan. Precisely how transferred credits will apply to the specific degree will be determined once the student declares a major.
3. Advanced Placement (AP), College-Level Examination Program (CLEP), NECC Challenge Exams, and Prior Learning Assessment (PLA) credit completed and/or accepted by NECC will be honored by Van Loan. Students seeking credit for PLA courses must provide Van Loan with official transcripts, an official PLA score sheet from The College Board and PLA portfolio/work product for validation.
4. It is understood that if a student changes his/her major upon transfer to Van Loan and does not have the foundation or skill to enroll in an upper level course because he/she has not taken prerequisite introductory courses, he/she will be required to take any necessary prerequisites(s).
5. Final decision on student acceptance will be based on Van Loan policy and procedure. Van Loan reserves the right to rescind an offer of acceptance if a student is no longer considered in good academic standing or disciplinary sanctions occur between the times of acceptance to matriculation.
6. The Van Loan catalog contains all information about degree requirements. Students wishing to plan their Associate degree program to ensure meeting prerequisites for upper division courses are encouraged to communicate early with the transfer counselor at Van Loan to secure specific information about transfer credit.

Students eligible for admission pursuant to this agreement will be eligible to receive financial assistance through the Financial Aid office at Van Loan. TERM, AMENDMENT, AND TERMINATION

This agreement is effective immediately and will continue until termination by either party. This Agreement is not assignable and may not be amended, revised or modified, except in writing executed by the parties.
